A Notice Under 37 CFR 1.251 was mailed on May 17, 2005 in the above-referenced patent application, which states that the Exhibits listed on the Declaration filed on September 15, 2004 are missing. I was previously advised by an Office Communication mailed on December 28, 2004 that the Exhibits were missing and I resubmitted the Exhibits accompanied by a Response To Office Communication on January 6, 2005. Enclosed are copies of the Office Communication, the Response, and a postcard receipt evidencing receipt of the Response in the PTO on January 11, 2005. I placed a telephone call to a PTO Customer Service Representative on May 23, 2005 at 1-(888)-786-0101, who confirmed that the Exhibits are currently in the file wrapper of the application. Accordingly, no additional copies are enclosed herewith.

Respectfully submitted,

Response to Amendment

1. The reply filed on 9/13/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has relied upon numerous exhibits in support of an earlier conception date. However, the IFW file does have any of these exhibits, and a contractor search of the materials submitted and located at the scanning facility did not turn up any of the exhibits. Thus, prosecution cannot really be advanced without these exhibits, and applicant is respectfully requested to submit or re-submit the exhibits so the response can be given full consideration. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fritz M Fleming whose telephone number is 571-272-4145. The examiner can normally be reached on M-F, 0600-1500.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey Gaffin can be reached on 571-272-4146. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

RESPONSE TO OFFICE COMMUNICATION

Sir:

An Office Communication was mailed on December 28, 2004 in the above-referenced patent application having a one-month period for response. The Office Communication states that the Exhibits submitted in support of the "Declaration under 37 C.F.R. §1.131," which accompanies the Amendment filed on September 13, 2004, are presently missing. The Office Communication requires applicant to resubmit the Exhibits. Accordingly, Exhibits A-F are resubmitted herewith and are a true copy of the previously submitted Exhibits A-F which were apparently lost in the Patent and Trademark Office.
